THE WORK BEFORE THE WORDS

What changes when we
let the image arrive
before we explain it?

STUDIO STUDY / EVERYDAY PEOPLE ART COLLECTIVE

There is a point in the process when naming a thing too quickly makes it smaller. The work needs room to arrive before it is asked to account for itself.

Looking without solving

We are practicing a slower kind of attention: noticing pressure, rhythm, interruption, and scale without forcing the image into

We are practicing a slower kind of attention: noticing pressure, rhythm, interruption, and scale without forcing the image into a clean explanation.

The result can stay unresolved. It can be direct without becoming simple. It can hold contradiction and still communicate.
